

# A Letter to Mayor Jamieson

Mayor Mark Jamieson  
Locked Bag 72  
SUNSHINE COAST MAIL CENTRE QLD 4560

Dear Mayor,

**INTEGRITY OF OUR TOWN PLAN**

I am appalled that you are planning to overthrow our new Town Plan to facilitate approval of a massive high-rise development by Sekisui at Yaroomba.

Changing our Town Plan, which commenced only 4 months ago, is outrageous. This plan limits the Sekisui land to 2 storeys and that is how I want it to remain.

When you became Mayor, you said the aim of your Council was "good decisions with full transparency". Holding closed-door meetings to overturn the strong desire of the community to maintain the low-rise, low-impact nature of the area is not transparency.

The community does not want this development. Please reconsider your unethical approach to high-rise development at Yaroomba.
